

- The Board congratulates our wonderful school community on their resilience in these difficult times, we acknowledge the support offered by all our staff to students inside and outside the classroom. We have a broad extracurricular programme, which seeks to engage the interest of so many students, up and running; a sincere thank you to our staff who give so generously of their time in this area of school life.
- We also congratulate Taylor Heffernan on his two silver medals from the European Kickboxing WAKO championships, these he adds to an impressive list of previous prestigious medals.
- Funding for JCSP initiatives in Literacy, numeracy and creative arts has been sourced
- November assessments for all year groups: 8/11/2021 - 19/11/2021.

- SCP report report presented to BOM
- Parent association report presented to BOM
- Student council report presented to BOM
- TY report presented to BOM
- Progression report from guidance presented to BOM
- Hidden Hero 2021
- This award celebrates our school's values of respect, tolerance, kindness, friendliness and honesty; the idea that one person can make a difference. We have so many kind, caring students who deserve recognition. This idea is giving the staff and students a chance to recognise all the good deeds that are already happening on a daily basis.
- **Finance report presented to BOM**
- Staff CPD report 2021/2022 - First teachmeet of the year, (in-house CPD) the staff members that were trained in Magenta Principles gave a presentation to teachers. Following on from this, a further four teachers will attend training this year beginning in November. Members from seven departments will have completed this training at the end of this academic year.
- On November 3rd, we had a presentation given by Dr. Jennifer Hayes - supporting our Syrian refugee students. This was attended by 24 teachers.
- All teachers have been offered access to an online CPD portal called CATTS. Short, certified courses can be done on this platform such as autism, managing anxiety, behaviour management, restorative practice, staff wellbeing and leadership short courses.
- Digital teachmeet on November 16th. New technologies are being trialled by members of the ICT Group and will be introduced to staff on that evening.
