

### **Congratulations**

Congratulations are extended to Mr Ger Lordan on his retirement. The BOM formally acknowledged Mr Lordan's dedication and commitment to the school and wish him a happy and healthy retirement.

### **Minutes of previous meetings Adpoted**

Minutes are available : 20/05/2021

Minutes are available: CPOR minutes: 25 /5/21

Minutes of BOM : 6/5/21

### **DES Circulars issued**

- Relevant circulars shared with the BOM

### **Education matters**

- Accredited grades process completed for Leaving Certificate and Applied Leaving Certificate students
- Junior Cycle Terminal examinations were again cancelled for this year's cohort due to the COVID 19 pandemic.
  - Students received a school certificate last week with the subjects they studied, the level they studied these subjects at and a grade reflecting a combination of ongoing assessment/work.
  - Next year they will be issued with a JCCC
- ❖ *3rd Year Cohort 2019/2020*
  - Just recently students were issued with a state certificate, the JCCC(Junior Cycle Certificate of Completion). This cert states that the student completed a three year programme of Junior Cycle education and lists the subjects they studied.

### **Reports presented to BOM**

- Night School report
- FET (Day courses) report
- DEIS Report
- HSCL Report
- SCP report
- Parent association
- Student council
- Digital Learning update

### **Finance report**

- BOM and Summary reports for April and May presented to the BOM

### **College Planning**

- Timetabling is in progress for 21/22
- Annual report for 2020/2021 will be presented to BOM at the first BOM on our return to school
- Cairdeas@colmans is under progress as a staff wellbeing initiative.

### **Policy Matters**

## New policies presented and ratified at the BOM

- Review of Code of Behaviour
- School uniform policy
- Attendance policy
- BOM members are required to complete TUSLA Children First Training.

<https://childrenfirstuniversal.hseland.ie/>

## Other Planning Matters

- Stock check notified by CETB: 29/06/2021
- Tomar funding 2020/2021: TOMAR funding has allowed the school to purchase 2 ipad trolleys, have access to restorative practice training and magenta principles training for staff, the school will apply for funding again in 21/22.

## Report on risk Management

- The work of LWR Mike Flyn for the duration of the year is acknowledged.
- Thank you to Eric O'Connor for his work on fire/emergency exit maps.
- The relatively low levels of Covid cases in school is a great reflection on staff and students. Thank you to everyone for their work in this area.

## School building and plant

- Last procurement underway for the new building
- Two toilet blocks being refurbished this summer
- Windows in assembly area being replaced
- New flooring to be laid in a number of classrooms
- Painting outside and inside (a number of areas)
